

What's New IN PUERTO RICO?

The tourism industry continues to experience steady growth, and exciting local projects, initiatives, and businesses are opening. Here's your monthly update on new developments on the Island during November 2022.

NORTH & METRO REGION

A summary of the new attractions and restaurants announced in the North and Metro region of the Island. Included are a 1950's inspired boutique hotel in Miramar, a tapas bar and restaurant, a coffee shop, a culinary center, and a picnic-style restaurant in Hatillo.
