

What's New IN PUERTO RICO?

The tourism industry continues to experience steady growth, and exciting local projects, initiatives, and businesses are opening. Here's a monthly update on new developments on the Island from December 2022.

METRO & EAST REGION

A summary of the new attractions and restaurants announced in the East and Metro regions of the Island include a pastry shop that specializes in "viennoiserie," a plant-based pop-up dinner experience, a new bar in Santurce, a Mexican restaurant in Guaynabo, and a unique farm-to-table experience in Rio Grande.
