

What's New IN PUERTO RICO?

The tourism industry continues to experience steady growth, and exciting local projects, initiatives, and businesses are opening. Here's a monthly update on new developments on the Island during January 2023.

METRO & NORTH REGION

A summary of the new attractions and restaurants announced in the Metro and North regions of the Island include a pet-friendly coffee bar, a restaurant and bar that specializes in mezcal drinks, and a monthly LGBTQ+ event organized by Eventos de Portada. Also, in Aguada, there is a new project called Earthship PR, which offers educational tours and short-term rentals of their off-grid and sustainable homes built with recycled materials.
