

What's New

IN PUERTO RICO?

Puerto Rico is thriving, and exciting projects, initiatives, and businesses are constantly developing. Here's your monthly update for April 2023 about the new developments on the Island that continue to improve the #LiveBoricia experience for visitors.

NORTH & METRO REGION

In the Metro and Northern region of the Island, a new coffee shop by day and a bar at night concept just opened in the historic Old San Juan. Also, other gastronomic offerings include Habitante Café in Santurce, Corchea, a restaurant in Isla Verde that offers international cuisine and live music, and Culinary Market U, a gourmet market and restaurant that offers private classes and events. Additionally, there is a new bowling alley and gaming center in Dorado.
