PONCE, THE IDEAL CITY FOR HISTORY, MUSIC AND CULTURE!

Get ready to experience a full day outside the metropolitan area and enjoy Puerto Rico like a local! Ponce, rich in history and culture, is also known as La Perla del Sur. It is one of the largest, and most populated cities in Puerto Rico, second only to San Juan.

We will drive you through the beautiful mountains of Puerto Rico and you will learn about music history, culture and the sports influence we embrace, and are so passionate about.

Lastly, we will delight you with our puertorrican cuisine in one of the most popular restaurants in downtown.

This is an experience for all!
